NAADI Rise Test Series · Standard plan

NEET 2027 · 14 December 2026 to 27 April 2027 · 87 dated tests

- **Each test opens on its date** in the app. A test you miss stays open, so you can catch up.
- **Study the chapters before the date.** Each row says what to revise; the week before a test is its preparation week.
- **Your first attempt is ranked.** Later attempts are practice. Marking is +4 right, −1 wrong, 0 blank, as in NEET.
- Weekdays carry chapter tests, Sundays carry revision. Part Tests, subject tests and mocks cover everything tested so far.
